

Update imagery as per the link on the email please

Can we have an anchor to this at the top of the page?

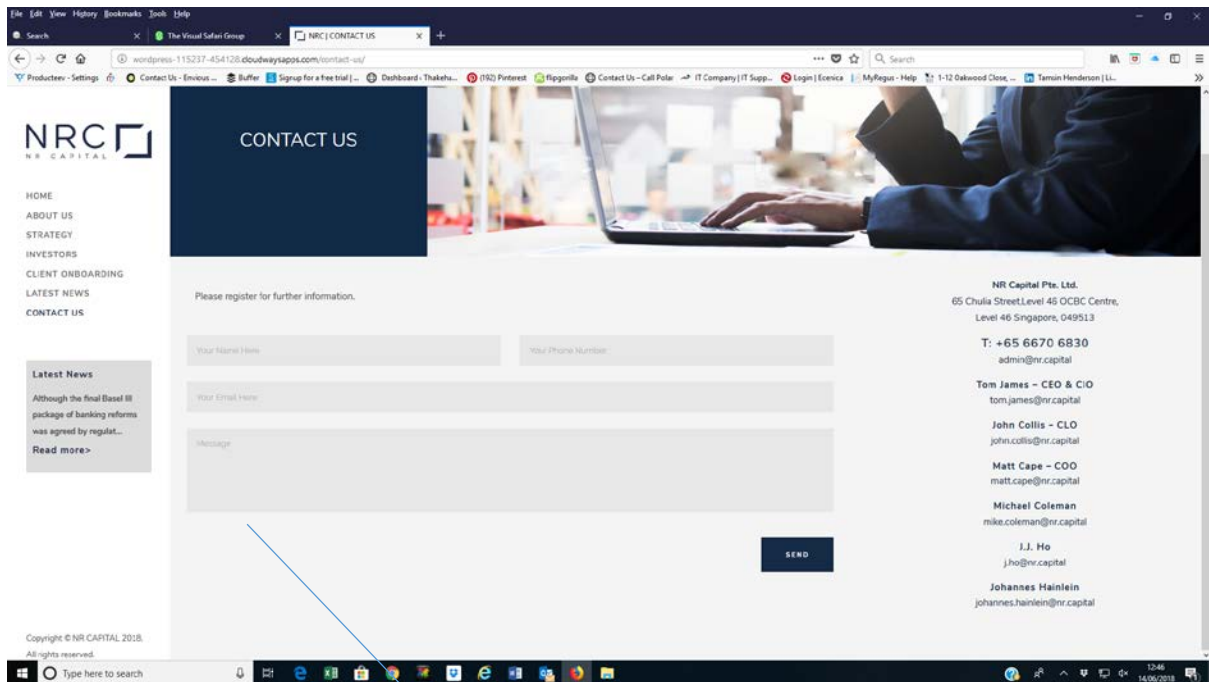

All headers to be sentence case and not so large please.

Add Read more in blue to all stories and make this link through to the same page as the header

Need to add a tick box with the following wording:

I have read and accepted the **Privacy Policy**

Link the privacy policy to the attached document / PDF

We also need to add another tick box saying:

Please send me a brochure

– I will send you a copy of this in due course in PDF format
